

C. Trout Skin Nipper

Ergonomically designed nipper in three trout skin colors, brook, rainbow, and brown. Much easier to grip and use than standard nipper. Super sharp stainless cutting jaws can handle even the smallest tippet. **2L6G | \$15.95**

B. Trout Skin Forceps

Positive locking forceps with handles in trout skin colors, brook, rainbow and brown. Stainless steel forceps have locking handles to clip on to vest or jacket. Precision jaws offer a strong and positive grip. **2L7R | \$16.95**

A. Trout Print Fly Boxes

Organize up to 228 flies. Slotted foam holds flies in place easily with the pre-set holes for quick placement. 12 rows. In rainbow, brookie, brown. 6"L x 3 1/2"W x 1 1/16"D.

2R25 | \$39

X. Fly Fisher's Diamond Hook Hone

Keep hooks sharp for better hook sets and more landed fish. Sharpens hook points fast. Easy grip. **2T5T | \$9.95**

Y. Super Sink Liquid

Get your fly down to where the fish are faster. The special liquid

adds weight to the leader to increase sink rate for nymphs and streamers you want down in the feeding column. **2X66 | \$5.95**

Z. Super Float Liquid

Keep your line, leader, and tippet floating longer and higher. Dress with Super Float for better drifts and presentations. **2X65 | \$6.95**

b. Aluminum Pliers
2C2G \$129

Line Cleaning Tool

The only line cleaning tool that closes around your rod and line, so you can clean your fly line as fast as you can strip or reel the line in. Cleans dirt and saltwater scum from your line quickly and easily while you fish. Comes with cleaning liquid. **2T43 | \$14.95**
